Online Ordering Tips!

Our new website has launched and it's quite different from our previous (12-year old!) site! Here are a few tips we hope you'll find helpful. If you prefer to order over the phone, please call us at 813.264.7700! We'd love to help!

Kitchen Sessions - To reserve an In-Kitchen Session, simply select "In-Kitchen Session" on the top navigational menu. You'll be prompted to "log in" or to "select your store", and then you'll be taken to the Session Calendar. Select your preferred session day and time, and then choose your menu and checkout.

In-Store Pickup & Delivery Orders - Placing an In-Store Pickup (ToGo) or Delivery order is quite different on the new website. We now have an online store where you will make your meal selections. Here are a few important things to know:

- There are three March menus you will see. They each have the same dishes in them, but are offered in different "formats":
 - ***Ready Made March Menu*** – These are the March Menu items ready-made and available for immediate Grab & Go purchase. They are available in petite portions and are the best value. Customization is not available for this menu.
 - ***Customizable Petite March Menu*** – These are the same March Menu items offered in the ready-made menu, but they *can* be customized (low salt, gluten-free, etc). They are packaged in petite portions. They are slightly more expensive than the Ready-Made Menu due to the time it takes to customize dishes.
 - ***Customizable Family-Sized March Menu*** - These are the same March Menu items offered in the ready-made menu, but they *can* be customized (low salt, gluten-free, etc). They are packaged in family-sized portions. They are slightly more expensive than the Ready-Made Menu due to the time it takes to customize dishes. If you would like to order from this menu, but want your meals "split" into smaller portions, please choose the Customizable Petite Menu and select 2 of each petite entrée.

Don't need your meals customized? Order from the monthly Ready-Made menu and Grab & Go items for the best value! You can order online by 10am for same day pickup of ready-made dishes, or simply pop in and take home immediately. No pre-ordering necessary!

If you have a specific requirement and do need customized meals (low salt, gluten-free, etc), choose your meals from the Customizable Petite or Customizable Family-Size menu. Feel free to mix and match meals from the Ready-Made Menu, Grab & Go and Customizable. There is no minimum order requirement for In-Store pickup, only a \$100 minimum order total for \$5 Delivery!

GREAT NEWS! Grab & Go and our SuperChef Rewards Program

One of the awesome features of our new website is the ability to purchase Grab & Go items online... entrees, sides, desserts, and appetizers! We are thrilled to finally be able to offer SuperChef points for Grab & Go purchases! Any purchase over \$100 will receive one SuperChef point. Make three \$100+ purchases in a 4-month period and you will automatically receive a \$30 store credit!
