- In the "***Customizable & Monthly Menu***" section of our online store, you will see three versions of our monthly menu. Each features the same dishes and they all are available for in-store pickup and delivery. Which menu to order from depends on your individual needs:
 - **\$ Ready Made Monthly Menu** – These are the items ready-made and available for immediate Grab & Go purchase, in-store pickup and delivery. They are available in petite portions and are the best value. Customization is not available for this menu. Also, be sure to check out the *Grab & Go Menu* for more great entrée selections that can be ordered for in-store pickup or delivery!
 - **\$ Customizable Monthly Menu (Petite)** – These are the same items offered in the ready-made menu, but they *can* be customized (low salt, gluten-free, etc). They are packaged in petite portions. They are slightly more expensive than the Ready-Made Menu due to the time it takes to customize dishes. ***MONEY SAVING TIP:*** *Only order those dishes you know you need customized from the customizable menus. There is no minimum to order from the customized menus. Dishes that you don't need customized should be ordered from the Ready-Made Menu for best value!*
 - **\$ Customizable Monthly Menu (Family)** - These are the same items offered in the ready-made menu, but they *can* be customized (low salt, gluten-free, etc). They are packaged in family-sized portions. They are slightly more expensive than the Ready-Made Menu due to the time it takes to customize dishes. ***MONEY SAVING TIP:*** *Only order those dishes you know you need customized from the customizable menus. There is no minimum to order from the customized menus. Dishes that you don't need customized should be ordered from the Ready-Made Menu for best value!* If you would like to order from this menu, but want your meals "split" into smaller portions, please choose the Customizable Petite Menu and select 2 of each petite entrée.
- **Minimum Orders**
