Online Ordering Tips!

Our new website has launched and it's quite different from our previous (12-year old!) site! Here are a few tips we hope you'll find helpful. If you prefer to order over the phone, please call us at 813.264.7700! We'd love to help!

Kitchen Sessions - To reserve an In-Kitchen Session, simply select "In-Kitchen Session" on the top navigational menu. You'll be prompted to "log in" or to "select your store", and then you'll be taken to the Session Calendar. Select your preferred session day and time, and then choose your menu and checkout.

In-Store Pickup & Delivery Orders - Placing an In-Store Pickup (ToGo) or Delivery order is quite different on the new website. We now have an online store where you will make your meal selections. Here are a few important things to know:

- There are three March menus you will see. They each have the same dishes in them, but are offered in different "formats":
 - **Ready Made March Menu** – These are the March Menu items ready-made and available for immediate Grab & Go purchase. They are available in petite portions and are the best value. Customization is not available for this menu.
 - **Customizable Petite March Menu** – These are the same March Menu items offered in the ready-made menu, but they *can* be customized (low salt, gluten-free, etc). They are packaged in petite portions. They are slightly more expensive than the Ready-Made Menu due to the time it takes to customize dishes.
 - **Customizable Family-Sized March Menu** - These are the same March Menu items offered in the ready-made menu, but they *can* be customized (low salt, gluten-free, etc). They are packaged in family-sized portions. They are slightly more expensive than the Ready-Made Menu due to the time it takes to customize dishes. If you would like to order from this menu, but want your meals "split" into smaller portions, please choose the Customizable Petite Menu and select 2 of each petite entrée.
- **Easter Brunch Menu** – To order from the Easter Brunch Menu, simply go to the "Place a Pickup or Delivery Order" option by mousing over the "Store" on the top of the website. "View Details" on the Easter Brunch Menu and you will be able to make your selections there. Customization is not available for our Easter Brunch items. There are no minimum orders for In-Store Pickup. There is a \$100 minimum order for \$5 Delivery. Feel free to call us at any time 813.264.7700 if you'd like assistance. We're happy to help!

Don't need your meals customized? Order from the monthly Ready-Made menu and Grab & Go items for the best value! You can order online by 10am for same day pickup of ready-made dishes, or simply pop in and take home immediately. No pre-ordering necessary!

If you have a specific requirement and do need customized meals (low salt, gluten-free, etc), choose your meals from the Customizable Petite or Customizable Family-Size menu. Feel free to mix and match meals from the Ready-Made Menu, Grab & Go and Customizable. There is no minimum order requirement for In-Store pickup, only a \$100 minimum order total for \$5 Delivery!

GREAT NEWS! Grab & Go and our SuperChef Rewards Program

We are thrilled to finally offer SuperChef points for Grab & Go purchases! Any purchase over \$100 receives a SuperChef point. Make three \$100+ purchases in a 4-month period and automatically receive a \$30 store credit!

Cooking instructions & Nutritional Information

To view cooking instructions and nutritional information for dishes that you have purchased, please log in to your Dinner Done account and view the "My Orders" page. Click on your most recent order and you will see the list of everything purchased. Scroll down below the purchase list to see cooking instructions, "parts" to each dish, and nutritional information. *(Note that we are still formatting some of our products, so information for non-entrée items may still be pending the updated format.)*

Website Tweaks

Over the next few weeks, we will continue to tweak the website. The pdf menus are now available online- simply roll-over the "Our Menus" option on the top navigation menu.
