

# Grab & Go is a great option!

We sometimes receive questions on where to locate our popular Grab & Go Menu. Because our Grab & Go selection changes frequently, we are unable to provide an up-to-date printable menu, but it's easy to find in our online store!

## 1. Mouse over "Store" in the top menu and select the "Place Pickup or Delivery" Option

## 2. Now you are in the online "Store". Click "View Details" on the Grab & Go / Ready Made Entrees. That will show you everything that we currently have available for pickup. You may order online, or stop in and shop. Quantities are limited and our Grab & Go tends to sell quickly. Don't forget to also check out our Side Dish, Appetizer, Brunch and Dessert Menus also found in the online store.

A few tips for ordering **Grab & Go** online:

- Our web system automatically assumes you want the first available store pickup date.
  - If you are ordering before 10am, it will set your pickup date to after 4pm on the current day (if we are open).
  - If you are placing your order after 10am, it will set your pickup date to 4pm on the next business day.
  - If you need to pick up earlier, simply call or email us to let us know. We'll bag your order as soon as we can!
- You don't HAVE to order online 😊, although some of our dishes may sell out quickly. Feel free to pop in to the store and pick up any of our Grab & Go dishes immediately. We have a comfy couch, a few tablet devices, and a helpful team happy to answer any questions you may have. Want a glass of wine, water or soda while you shop with us? Just let us know!

*Thanks for shopping local. We appreciate you!*
